

Glenbriar confirms private placement and option grant

CALGARY, AB – July 14, 2010 — **Glenbriar Technologies Inc.** (CNSX: GTI) announced that it has issued 600,000 common shares from treasury at \$0.05 per share, plus an option on a further 300,000 shares at an exercise price of \$0.05 per share with an expiry date of September 29, 2011. Last CNSX closing price was \$0.035 per share. The proceeds will be used to pay for an external consultant to assist Glenbriar with select financial market initiatives and programs over the next three months. The agreement may be extended for a further 3 months at the end of September 2010 for an additional \$20,000. The private placement was made to an insider, who has arranged to cross an equivalent number of freely trading common shares through the facilities of the CNSX at \$0.05 per share to the external consultant subsequent to the private placement, so that the subscriber's net holdings will end up in the same position as they were prior to the private placement.
