NEWS RELEASE

Cannvas Integrating Systems with Partner Namaste Technologies Inc. for Revenue Share Partnership**Cannvas.Me to Provide Seamless Referrals to NamasteMD**

Toronto, Ontario / December 4, 2018 – Cannvas MedTech Inc. (“Cannvas” or the “Company”) (CSE: MTEC) (Frankfurt: 3CM), a leading business technology company in the cannabis space, is pleased to report that integration of the revenue sharing partnership with **Namaste Technologies Inc. (“Namaste”) (TSXV: N, FRA: M5BQ, OTCMKTS: NXTTF),** a leading technology company operating the largest global cannabis e-commerce platform, is proceeding as planned. Cannvas and Namaste are deploying technologies to drive customer integration and value-added services between company platforms.

“As Cannvas.Me continues to serve a robust audience with unbiased educational content around the potential benefits of cannabis as an alternative therapy, a partnership with the de facto leader in the digital cannabis space extends the reach of both organizations and helps bring us and Namaste closer to our goals of providing Canadians with access to cannabis learning before they choose to consume,” said Steve Loutskou, Chief Operating Officer, Cannvas MedTech Inc. “The amalgamation of Namaste’s medical cannabis patient portal and our cannabis-centric education platform is expected to be operational in a matter of weeks. The team at Namaste is exceptional and we are looking forward to the successful integration of our Cannvas.Me platform with NamasteMD for the seamless referral of patients.”

Namaste is the world’s largest and most comprehensive cannabis-focused e-commerce platform with a fully-integrated e-commerce network spanning across the globe offering everything from rolling papers to vaporizers. In Canada, Namaste has developed the country’s first telemedicine app, available on iPhone and Android devices, allowing patients to connect to doctors or nurse practitioners and have access to a wide range of high-quality cannabis products and services.

Cannvas.Me is a scalable and comprehensive solution for the global medical cannabis community offering interactive tools and physician-backed content to audiences wishing to learn about health care through cannabis. Its mission is to place users in the driver’s seat of their health care journey, arming them with unbiased information on whether medicinal or therapeutic use of cannabis can be beneficial to their lifestyle.

Cannvas.Me operates independently of any Licensed Producers or Clinic funding, working with its own Medical Advisory Board and Education Advisory Panel to provide a safe space for potential and active users to learn about cannabis with no pressure to consume or purchase.

About Namaste Technologies Inc.
