**PRESS RELEASE  
FOR IMMEDIATE RELEASE**

**CUERVO ANNOUNCES AMENDMENTS TO OUTSTANDING IPO WARRANTS**

March 5, 2009 – Toronto, ON

Cuervo Resources Inc. (CNSX-FE; FWB-CRR; “Cuervo” or the “Company”) wishes to announce that it has received unanimous consent from all holders of the outstanding Cuervo common-share purchase warrants which were issued pursuant to Cuervo's Initial Public Offering (“IPO”) on May 30, 2007, to amend certain terms of the outstanding warrants. In particular, the exercise price of the warrants is reduced from \$0.75 to \$0.35 per share and the term of the warrants has been extended by six months from May 30, 2009 to November 30, 2009, subject to rights and obligations to accelerate the expiry date of the warrants. Under the original terms of the warrants, Cuervo has the right, at any time in its sole discretion, to accelerate the expiry date of the warrants to a date which is 30 days from Cuervo’s notification to warrant holders. This right will be carried through to the amended warrants.

Pursuant to the policies of the CNSX, who has approved these amendments, the amended warrants must include an additional acceleration clause which provides that if the common shares of the Company trade at greater than \$0.466 for ten (10) consecutive trading days then Cuervo would be required to trigger an acceleration of the expiry date of the warrants to the date which is 37 days following such ten (10) day period. The amendments will affect approximately 4,021,000 outstanding warrants and, pursuant to CNSX policies, will not apply to warrants issued to agents in connection with the IPO.

These proposed actions do not affect warrants that were issued pursuant to a private placement which closed on May 30, 2008. The exercise price of those warrants remains at \$1.50 with an expiry date of May 30, 2010. The Company currently has 30,179,750 shares outstanding (41,856,000 fully diluted).
